DIRECTIONS

1. Name the picture.
2. What is the first letter?
3. Move the correct letter next to the picture.

If you're doing this activity on an iPad, remember to click the image ONCE to make it moveable. When you drag it, try not to click on the little squares. If the image changes shape, click the undo button and try again.

The print version includes 26 printable clip cards in both color and black & white. To save ink, the clip cards do not have an ocean theme.
