# Consonant Sound Sorting Mats

Print the letter mats and the cards. Laminate for durability. If desired, attach Velcro dots to the back of each square card, and to the gray squares on each letter mat. Attach the picture cards to each mat and slide into a galloon size plastic bag for easy storage.

Cut apart the letter mats if desired, or keep them on single pages. When playing, give your child two or more mats and the corresponding cards. Mix up the cards, and have him name each picture, one at a time, and place it on the correct mat.

The image displays two sorting mats. The left mat, outlined in blue, features a girl holding a sign with 'Tt'. It has a 3x3 grid of squares. The top row contains a tooth, a train, and the number '10'. The middle row contains a tissue box and a tree. The bottom row consists of three gray squares. To the left of this mat are five picture cards: a tiger, a flamingo, a campfire, and a fly. The right mat, outlined in red, features a girl holding a sign with 'Ff'. It has a 3x3 grid of squares. The top row contains a fox, a fan, and a fish. The middle row contains a frog. The bottom row consists of three gray squares. To the right of this mat are four picture cards: a tie, a flower, a foot, and a turtle. Both mats include the copyright notice '© 2015 The Measured Mom® www.themeasuredmom.com' at the bottom.
