Directions:

Print a sheep recording sheet for each player. Then roll a die to move from the sheep to the jeep. As you land on a word, read it aloud. Then, without studying the game board, write a word that rhymes with it on your recording sheet. Check with the other players to make sure it's spelled correctly. Put an line through it if it is not. After everyone has reached the jeep, count to see who has the most sheep with correctly spelled words. That person is the winner!
