To play:

1. Print out the Yes & No mat and the cards. Cut apart the cards.
2. Take turns rolling a die.
3. When you roll the die, refer to the question cards to find out which question to ask.
4. Draw a picture card. Locate the number on the 100s chart. You can cover it, color it, or just point to it.
5. Ask yourself the question in relation to the card. For example: Do you want 6 mittens? Could a person have 22 socks? Do you have 100 crayons?
5. After you decide on a "yes" or "no" answer, place your card on the proper section of the Yes & No mat.
